

**YEAR 5**

Jumbled Sentences and Word Order

Find the verb first, then work out who is doing it. The sentence usually falls into place from there. In alphabetical questions, compare the second letter only when the first ones match.

Name: _____

Date: _____

Score: _____

Section A · One word left over

Use every word but one to make a sensible sentence.

① the cat sat on mat the loudly

② rain it began to quickly yesterday
